KISSLING, Directors.

I do not deal in stocks and speculative issues, but confine my attention to buying and selling outright the sounder issues of Railroad, Electric Railway, Gas and Electric Light and Power Bonds, and, in each case, I make a careful investigation of each issue and thoroughly satisfy myself as to its soundness before offering it to investors.

I read all mortgages and consider them in relation to the property covered and the business of the company before taking up the issues secured by them, and have been compelled to turn down many issues solely because the mortgages securing them did not properly protect investors' interests.

RAYMOND R. DONGES,  
Correct—Attest: Master in Chancery of N. J.  
JOHN F. HARNED, HARRY REEVES, PAUL M. MECRAY, *Directors.*

I do not deal in stocks and speculative issues, but confine my attention to buying and selling outright the sounder issues of Railroad, Electric Railway, Gas and Electric Light and Power Bonds, and, in each case, I make a careful investigation of each issue and thoroughly satisfy myself as to its soundness before offering it to investors.

I read all mortgages and consider them in relation to the property covered and the business of the company before taking up the issues secured by them, and have been compelled to turn down many issues solely because the mortgages securing them did not properly protect investors' interests.
